TROOPS AMOK.

RUTHLESS SLAUGHTER OF INNOCENTS. INHABITANTS FLEEING.

Surprise Attack Made on Yeungkong.

A terrible tale of the slaughter of non-combatants is told in connection with the capture of Yeungkong by Chan Cheung-po, an anti-Sun guerrilla commander.

TROOPS RUN AMOK.

(From Our Own Correspondent.)

Pakkai, Kongmoon, Feb. 22.

Butchered non-combatants of both sexes, the victorious anti-Sun army which has captured Yeungkong has become the terror of the countryside and the inhabitants are fleeing as best they can.

Yeungkong is a flourishing port situated in territory between this part of the Canton River delta and the southern peninsula which comprises the "lower four counties." (The term "lower" is used in a geographical sense and means south.) It has been the bone of contention between the warring factions down south for over a year and was lost in pro-Sun hands.

About a week ago I reported its capture by Chan Cheung-po, an anti-Sun guerrilla commander. A surprise attack was launched at midnight, the assaulting force moving up under cover of night and gaining possession by dawn. In many houses man, woman and child were ruthlessly slaughtered. During from street to street in frenzied manner, the newcomers, after a long spell of hardship in the wilderness, lost all semblance of human beings, putting to death in cold blood everybody on whom they could lay hands.

An eyewitness, who is an itinerant trader, fled after the defeated troops and followed them into Yanking in company with other non-combatants who had left before the slaughter. On approaching Yanking they were taken under the care and protection of the volunteer village guards.

Commander Chan Cheung-po, having made Yeungkong his headquarters, now threatens an offensive against Yanking, which is in Sze Yip territory.

TALK OF DISLOYALTY.

(From Our Own Correspondent.)

Canton, February 22.

Beyond the fact that the battle front on the East River sector is now stated to be in a line from Pokoi across to the foot of the Fei Ngo range and thence to Ping-shan, there is little of interest to report.

An insight into the alleged "too

proud to fight" feeling on the part of the anti-Sun commanders is forthcoming from a report that several of Chan Kwing-ming's principal leaders are squabbling for the doubtful honour of holding the capital of Waichow should a siege be laid.

At any rate, there is talk of dis-

PIRATES' TOLL.

Novel Way Of Raising the Wind.

INSURANCE SUBSCRIPTIONS.

FUTILE ATTEMPT TO TAKE PAKKAI VILLAGE.

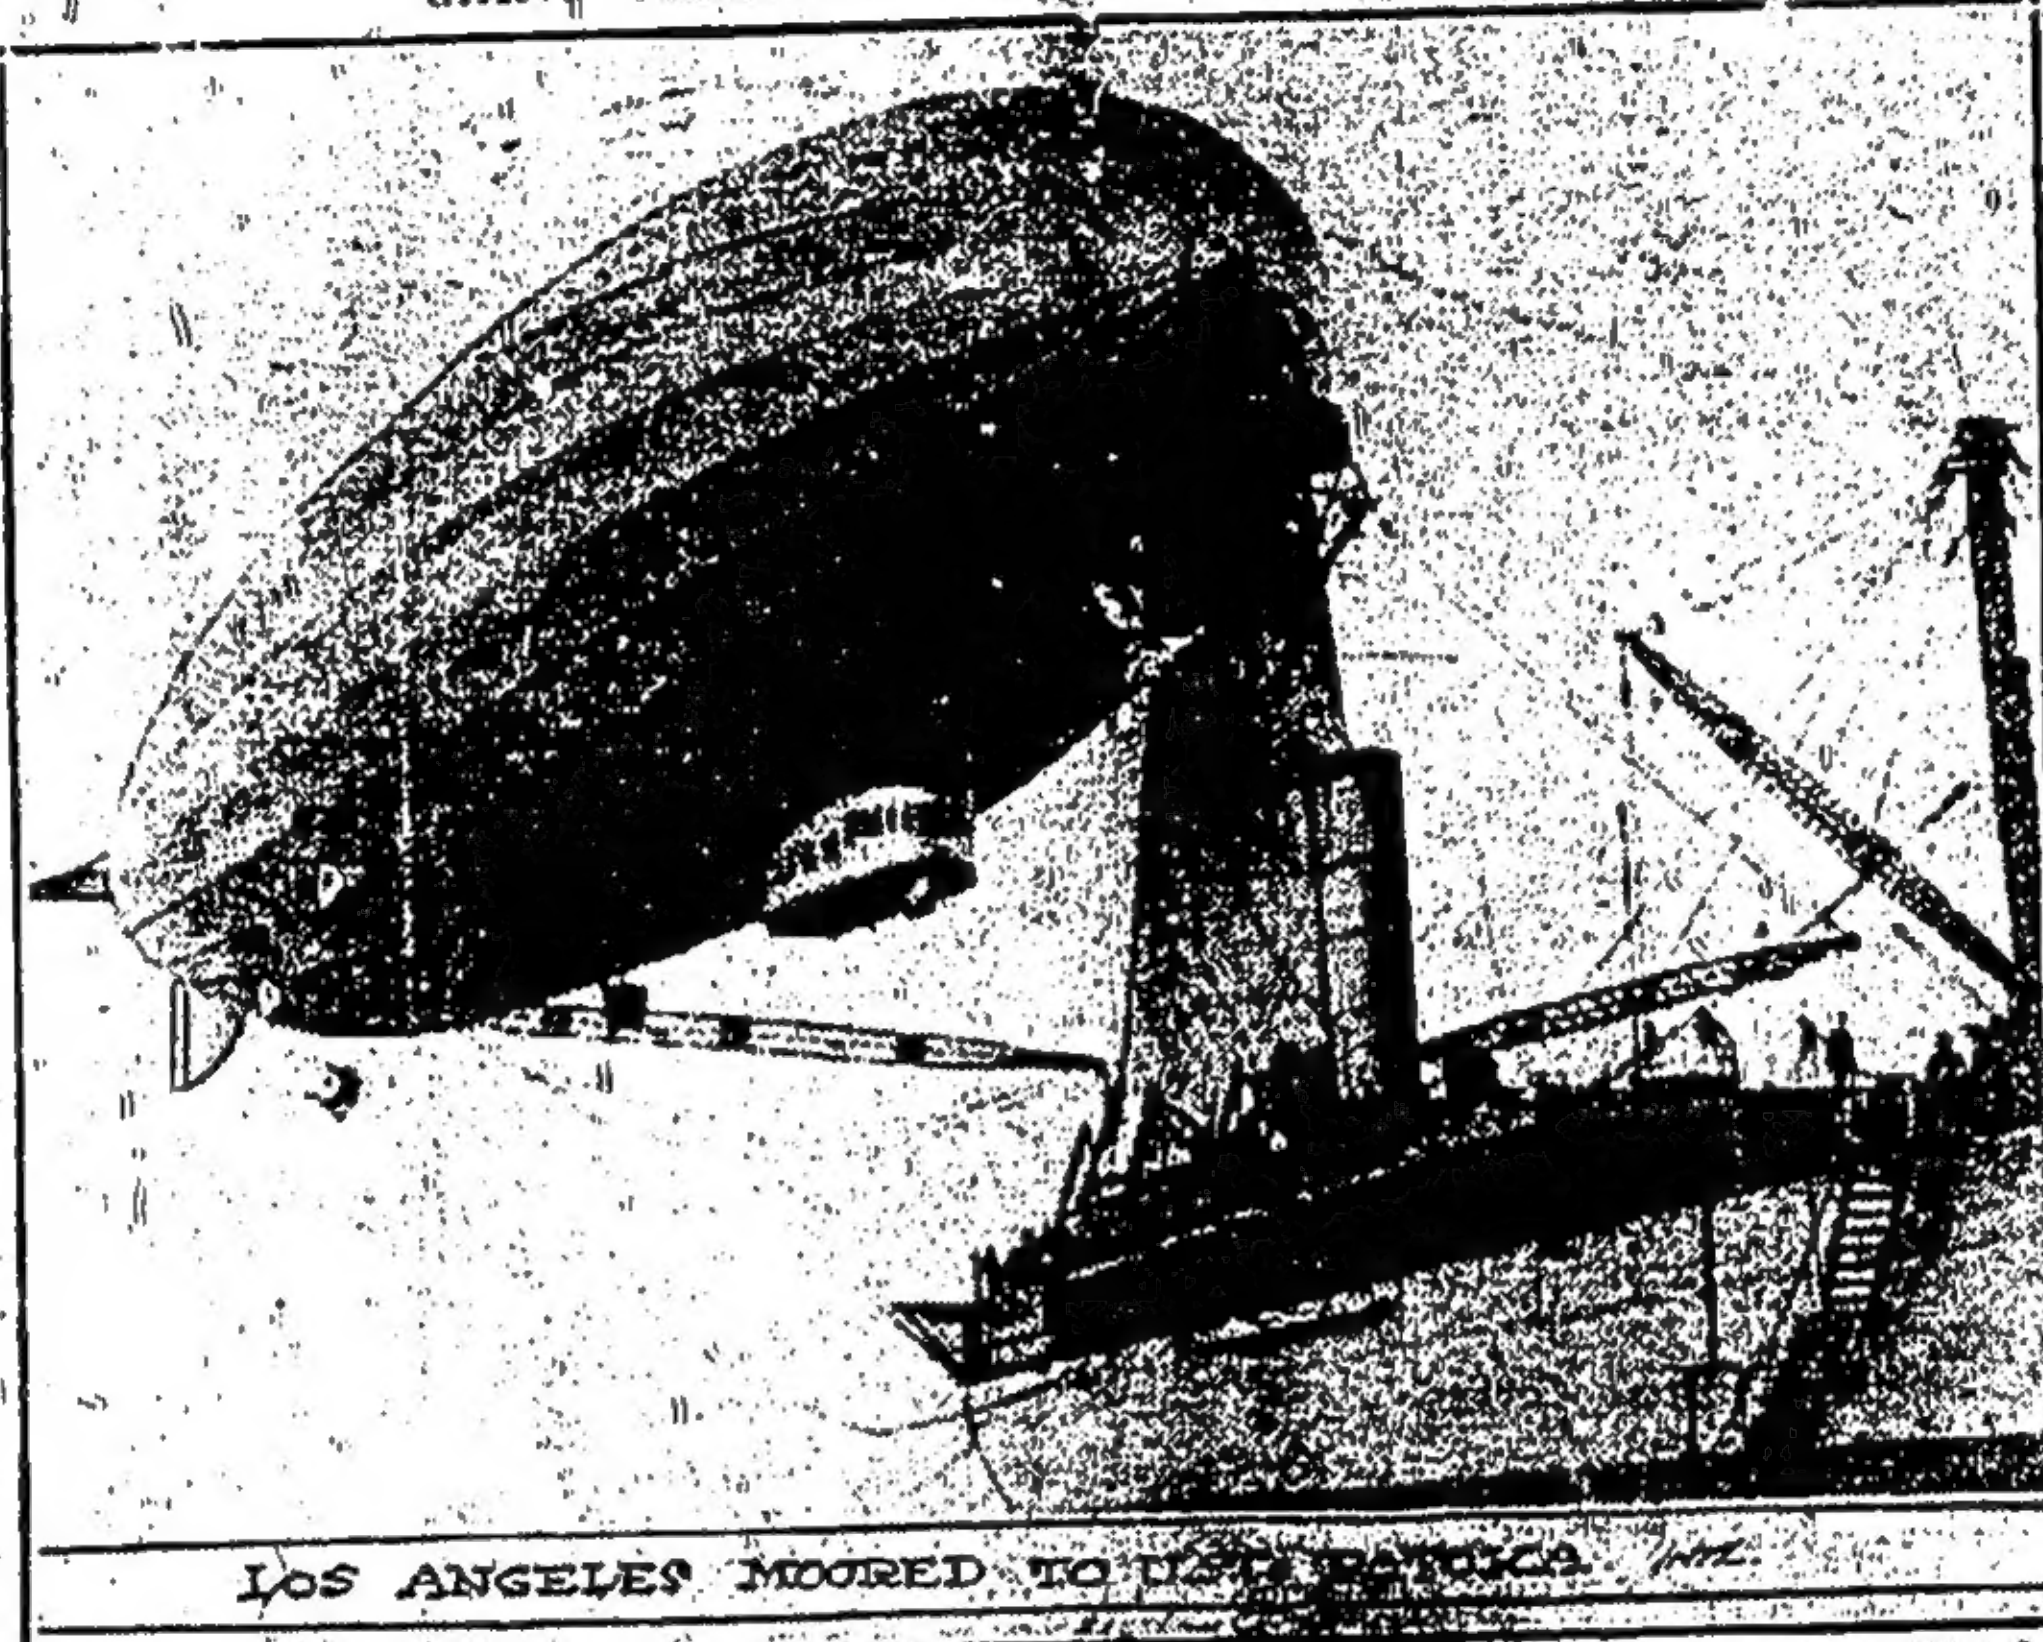

(From Our Own Correspondent.)

Pakkai, Kongmoon, Feb. 21.

While the question of law and order are devising means to stamp out lawlessness, the pirates, on the other hand, have come out with a novel scheme by which to exact their tolls.

At Ngong Goh, (Parrot Peak Junction)—a busy waterway—

GIANT AIRSHIP'S PIONEER MAIL FLIGHT.

Above is shown the "Los Angeles" lashed to the mooring mast of the "Patoka." Week-end cables report that the "Los Angeles" took a flying start on the morning of New Jersey, to Bermuda, the first time mail has been carried by air. The "Los Angeles" reached Hamilton, Bermuda, at five o'clock in the morning, but on account of the weather was compelled to abandon the attempt to moor and subsequently departed for Lakehurst, which she reached at midnight. Latest cables this morning mention that the "Los Angeles" dropped the mail bag in the garden of the Governor's residence at Hamilton, Bermuda.

loyalty. However, this is not confined to the Chan ranks as the Yunnanese on Dr. Sun's side are accused of not advancing over all the vacated territory, but lingering back, and the Kwangsi mercenaries are stated to be home-sick.

The pro-Sun centre is still reported to be demonstrating at the approach to the Fei Ngo range behind which is Waichow. The tanks are moving up to preserve the alignment.

Canton is hard hit for funds. The Chamber of Commerce has been asked to agree to the increase and the levy, respectively, of a number of old and new taxes.

pirate "agents" are canvassing subscriptions for "piracy insurance." People whose business it is to pass this Junction are invited to pay \$5 each for a certificate. In return they are entitled to free passage. Not only do the outlaws promise to refrain from interfering with patrons of their insurance, but they also undertake to obtain the release of people insured but who may be captured by other pirate gangs.

Salvo after salvo from the native guns about a quarter of a mile from the Customs Station on the other side of the Creek, greeted our last visit from pirates.

This gang attempted to take Pakkai village by surprise, but was repulsed after a brief scrap.

VICTORIA ROAD.

FAST IMPROVEMENT IN SIGHT.

GOOD NEWS FOR MOTORISTS.

The drive to the popular weekend resort, Repulse Bay, may at present only be varied on the return journey when part of Pokfulam hill may be avoided by taking the lower road, known as Victoria or Jubilee road.

Before very long, however, motorists will be allowed to take this route on the outward journey, for the road is in process of being widened to a minimum of 25 feet and the main objection of the police about the danger of cars having to pass one another will thus be overcome.

Bridges are being taken back, rocks are being still further eaten into by means of blasting, and curves are being taken off. When these operations are completed this should be as pleasant a road to motor along as there is in the Colony. It avoids many of the steep gradients of the upper road and although a trifle longer, winds through scenes of greater natural beauty.

It is rumoured that it will be only a question of time before the popular Repulse Bay Hotel buses take this route, but it would appear that nothing has been definitely decided in any event the alterations should materially help to solve the traffic problems of the upper road which have grown acute with the increasing number of motors and the numerous facilities.

CRIMINAL SESSIONS.

SERIOUS CHARGE AGAINST A GUNNER.

ROBBERS SENT TO JAIL.

Long Terms for Possession of Arms.

In the small and big Courts of Justice respectively the Chief Justice and Puisne Judge were kept busily engaged this morning in hearing Criminal Session cases.

Before Sir Henry Gwyer Gollan, opened the case against Gunner James Element, 25, England, who is arraigned on the charge of having committed a serious assault on a Chinese girl on January 7.

The prosecution for the Crown was conducted by Mr.

statement of one of these men (who had first appeared to answer the charge at the police court) that inquiries were made as to the movements of the prisoner on that day.

In her evidence this morning the girl said that the men at the parade were very much alike.

Case proceeding.

Robbery With Violence.

It was stated against Ho Chuen and Kwan Chiu, two men appearing on a charge of robbery with violence at the Sessions this morning, that they herded the inmates of a house in Yau-mat into a cubicle and locked them in after they had taken articles of jewellery from them.

They were sentenced to seven years hard labour, Mr. Justice Gompertz remarking that he would have ordered them the "cat" if it had not been for the fact that they had helped the police after their arrest in the search for the other members of the gang.

Mr. H. K. Holmes, who conducted the case for the Crown, said that the arrests were due to the prompt action of a Chinese detective who heard one of the victimised women exclaim in the street "that is the man."

A basket with a false bottom was the chief exhibit in the hearing of a case of possession of arms against Chan Lam-sun in whose possession the basket was when he stepped off a passenger junk on the Lung Chun wharf. His defence was that he was not

had been given the basket to look after by his employer with whom he had come to Hongkong in connection with the sale of cattle. This man had gone away when he saw the police "stop him (prisoner)."

Sentenced to five years' hard labour.

Tale of a Dagger.

A reduced sentence was that of Teo Fuk-poo, found with a dagger in his possession. He broke away from the police at the time of the arrest and sustained a flesh wound, one of the police seeing him attempting to draw something from his person and acting in the belief that it was a revolver. It was the weapon forming the subject of the charge.

Loaded Revolvers.

Pleading guilty to the possession of loaded revolvers, Leung Pui and Chan On were sentenced to seven years' hard labour each.

Sewing Machine Case.

Seven sewing machines taken from a knitting factory at Causeway Bay and the property of Wing On Co. formed the subject of a charge of larceny against Li Lam. His defence was that he had not actually entered the factory, but had taken the machines from a rope by which another man lowered them from the roof.

(Case proceeding.)

TAKEN BY BANDITS.

CATHOLIC FATHER CARRIED
OFF IN SHANSI.

On January 21 the Rev. Father
De Clippelle, a Belgian Missionary
from Scheut, stationed in the di-
ocese of Suifu, was captured by
bandits. Father De Clippelle belongs
to the Chilaiwushan Mission, not
far from Toicheng.

After having celebrated Mass in a
neighboring parish about eight
miles from his headquarters, Father
De Clippelle was on his way home
when some 30 men, dressed in mili-
tary uniform and rather poorly
armed, suddenly appeared and made
him a prisoner. The bandits took
him back to the mission he had just
left, and informed him that he
would not be released until a ran-
som had been paid. A Chinese
hostage from that place was also
taken into captivity but was re-
leased next day on payment of
\$1000.

MISSION AND CHURCH LOOTED.
Five days later the bandits looted
the mission residence, the church
and the vestry at Suifu. The resi-
dent priest, a Chinese named Ha,
received a warning at the last
moment and was able to remove to
a safe place the Chinese nuns and
the children of the orphanage.
Having done so he hid himself in a
haystack in the yard of his resi-
dence. The bandits broke down the
doors of the residence and the
church and having looted these two
buildings passed into the orphanage
and then through the village carry-
ing off a large amount of loot and
destroying many things which they
could not carry. After the bandits
had departed the Chinese priest
emerged from his hiding place and
fled with the nuns and the orphans
to Toicheng.

Meanwhile the other missionaries
in the locality had taken refuge in
the principal fortified places.

Since then these bandits have
been terrifying the district, riding
swiftly from one place to another,
taking the captive priest with them.
Missionaries, converts and churches
seen to be their principal prey. A
fortnight ago they burned 110
houses belonging to Catholics in the
Kuyangshien district, leaving
nothing behind them, not even any
of the grain which the poor people
had saved for their sustenance dur-
ing the "winter months." The
gang also looted two churches on
the western side of the parish.
Suifu was the third place they
pillaged. During these raids the
bandits proclaimed their desire to
punish the Catholics whose principles
are opposed to lawless methods.

On January 26 Catholic students
of Yungcheng-yi, situated 12 miles
north of Chilaiwushan, arrived at
Kueihua, having fled in terror from
their homes. They were in a pit-
iful plight, having travelled 40 miles
on donkeys in extremely cold
weather. They had not slept or
eaten for two days. A number of
orphan girls were given shelter in
the fortified church at Chabao.

FORMER MURDER AND OFFRAGE.
Bandit atrocities in this region
are not new. A year ago Father
Soenen was murdered by bandits in
the vicarage of Suifu, and one
of the outlaws who killed him is now
chief of one of the band still
operating there. Father van Praet
was also a prisoner in the hands of
these bandits and died soon after
his release owing to the ill-treat-
ment he received. A fortnight ago
the bandits threatened to seize the
Bishop, but he was able to secure
an armed escort and hurriedly re-
turned to his bishopric.

This band of 30 men who captured
Father De Clippelle seem to be
operating alone but they are fre-
quently followed by another gang
of between 200 and 300.
Father De Clippelle has been in
China 15 years.

The new Tutung, General Li
Ming-chun, has brought to the dis-
trict a number of Marshal Feng Yu-
hsiang's troops and there should be
no real difficulty in suppressing the
activities of these outlaws if a deter-
mined effort were made, and par-
ticularly as that region consists of
open plain country affording little
if any shelter to the bandits.

TRAM DISASTER.

(By Courtesy of Daily Bulletin.)

MANILA, February 20.
As a result of the overturning
of an electric tram in the military
reservation on Corregidor Island,
it is now reported that the dead
included Warrant Officer Carter,
Staff Sergeant Davidson, and a
Filipino private, and that Lieut.
Hayden, several American en-
listed men, Mrs. Herring, Mrs.
Carter and Mrs. Ellis were in-
jured.
It is believed that some children
and several of the injured may
die.

Thieves entered the British
Embassy building at Moscow on
February 9, presumably to steal
important political documents, but
they failed.

UNITED SERVICE LEAGUE
FINAL.

The final in the United Services
League took place on Friday
between the Surrey Regiment
and H.M.S. Hawkins, on the
Sookumpoo ground. A large
number of Service men was
present.

Teams:—Hawkins: Heathcote; Thomas
and Wright; Willcocks, Davenport
and Carpenter; Smith, Hyde,
Church, Tel. Smith and Shenton.
Surreys: Douglas; Cooper and
Jordan; Pether, Mitchell and
Bristowe; Charlesworth, Eaton,
Humberstone, Butler and Mackles-
worth.

The game opened with both sides
attacking in turn, and Church
was conspicuous with a shot
that grazed the bar. Eaton sent
Charlesworth away, and the latter
centred rebounded from a defender
and went into touch. Charles-
worth forced a corner off Wright,
the ball being cleared from the
corner kick. Shenton obtained
possession and, going along the
left, sent over a perfectly timed
centre for Church to beat Douglas,
giving the Surrey the lead.

From the centre the Hawkins' front
line again got away, but
Hyde was offside to a pass from
Smith. Surreys next got moving,
and Eaton tested Heathcote, who
cleared well. Mitchell returned and
Charlesworth earned a corner,
Eaton heading over from the
kick. Another corner
fell to the Surreys but being
not improved upon and play being
transferred, Douglas had to come
out to clear from Smith. Mitchell
in a gained possession and sent in a
long shot which Heathcote cleared
with Eaton in close attendance.
The Hawkins' second goal came
as a result of not playing to the
whistle. Davenport handled in
midfield and the players all
stopped, but Hyde, seeing his
opportunity, gained possession and
beat Douglas, the latter making no
attempt to save.

Surreys attacked and Humber-
stone, with only the goalkeeper to
beat, spoiled a fine opportunity
to reduce the arrears. Soon
after Eaton sent in a hard drive
that missed the upright by inches
and sent the ball out of play.
Half-time was sounded with the
scores:—
Hawkins: 2.
Surrey, nil.

Resuming, the Surreys went to
work to reduce the score and
forcing a corner. Charlesworth
sent behind. A flying visit by the
Surreys saw Douglas save from
Smith, and from then on the
Surreys' defence had
end the Surreys' defence had
very little to do for their
wards practically dominated the
Hawkins' defence, who time and
again sent the ball out to touch
to relieve the pressure. The
soldiers were not to be outdone,
and they were awarded a penalty
for hands. Humberstone took the
kick and sent in a hard drive that
went straight at the custodian, who
managed to stop it, Wright rushing
in and clearing to touch with the
custodian out from the effects of
the hard shot saved Mitchell
went off with a bleeding nose and
it was whilst he was being attend-
ed that the Surreys scored their
only goal. Humberstone received
from Butler and tapped the ball
past Heathcote.

From now on it was all the
Surreys' game, and kicking to the
touch was resorted to by the

Sailors' defence. What looked
like an equalising goal was spoiled
for from a kick just outside the
penalty area Charlesworth placed
the ball into the goal mouth, and
Humberstone headed out to play
instead of into the goal. Later,
Butler and Eaton tried shots, but
were unable to get the ball past
Heathcote. The final whistle
sounded with the score:—
Hawkins 2
Surreys 1

Comments

The Hawkins, although value
for the lead at half-time, were
certainly lucky to win, for only
bad luck and hefty kicking to
teach by the Sailors' defence
robbed the Surreys of at least a
draw. They were certainly value
for three goals in the second half.
For the winners Church and
Tel. Smith played a nice game in
the attack, and the latter was
always dangerous near goal.

Davenport was the pick of a

TOKIO, February 22.
Messrs. Takata & Co. are in financial difficulties due to heavy losses, which are attributed to the 1920 depression, the results of the earthquake, the 1923 depression and to exchange.
The liabilities are stated to exceed Yen 50,000,000, and the assets, between Yen 42,000,000 and Yen 43,000,000.
The Elakru Bank, which is a creditor to the extent of Yen 9,000,000, announced suspension of payment three weeks from today.
Messrs. Takata & Co.'s creditors met this afternoon, headed by the Yokohama Specie Bank, Bank of Chosen, Mitsui Bank, Mitsui Bishi Bank and the Industrial Bank, besides 15 others, including the Hongkong and Shanghai Banking Corporation and the Chartered Bank of India, Australia and China.
The first five banks were appointed a committee to investigate the position of the firm and to report.

CHINA'S WARS.
SUN CHUANG-FANG SAID TO BE ACTIVE.

According to a statement made by a Chinese just returned from Hangchow to a representative of the "North-China Daily News," Gen. Sun Chuang-fang, Tupan of Chekiang, is making feverish preparations for another war, this time, it is said, against the Fengtien Army under Marshal Chang Chung-chang. The Chekiang Tupan is recruiting large numbers of new men into his army daily and these, together with the old soldiers, are being placed under stricter discipline than they ever have been since arriving in Chekiang.

Our contemporary's informant says that General Sun is concentrating his troops at Kashing and has taken strong precautions to put up a defence against the Fengtien Army if they attack. However, we learn that they do not desire to fight and certainly will not fight unless they are absolutely compelled to do so. Should a war break out again, it is more than possible that General Chang Hsiao-lian, Commander-in-Chief of the Third Fengtien Army and Commander of the 29th Fengtien Division (who is the son of Marshal Chang Tso-lien), will prolong his stay in this part of the country and will take part in the operations. This, however, is not an official statement.

It is said that Gen. Sun is greatly dissatisfied with having been forced to evacuate Shanghai and to surrender the Arsenal and that he is not taking this reverse lying down. He proposes, therefore, to put up another fight.
Efforts are being made to mediate in the matter and General Wu Kuang-hsin, Minister of War, has gone to Hangchow, Chekiang, to confer with General Sun, but whether these efforts will be successful or not remains to be seen.

The amount of the depositors' credits in the Glasgow Savings Bank was stated to be more than £21,000,000, an increase exceeding £1,000,000 for the year. Despite industrial depression there were nearly 350,000 open accounts, and the number of depositors in the ordinary department showed an increase of nearly 9,000. Stock and bonds held amounted to £4,000,000.

At Aberdeen, the second largest fishing port in the United Kingdom, the great total of 10,161 tons of white fish was landed during the past twelve months, to the gross value of £2,291,310. A striking feature has been the enormous landings of Icelandic caught fish by German trawlers. Only 50 landings of Iceland fish were made by British trawlers, while over 900 such landings were recorded from foreign vessels, mostly German. During the year foreign trawlers brought in 4,188 tons of white fish, to the value of £504,408.

Sofia, February 21.—It stated that the police have discovered a widespread Communist conspiracy. Seven persons have been arrested. It transpires that a Bolshevik emissary recently toured Bulgaria, inspecting secret Communist organisations. —Reuter.

Fome people live in an eternal gloom. They believe themselves to be the object of all the vexations that beset mankind. Petty grievances and trivial troubles are the cause of their gloom. They are the signs of nerve exhaustion, and will recur with greater frequency as time goes on unless prompt measures are taken to set things right.

To do this is simple enough if you go to the root of the trouble—weak blood. This poor blood is failing to supply sufficient nourishment to your nerves. It lacks the strength, energy and purity that Dr. Williams' Pink Pills have created in so many thousands of cases of nerve exhaustion and debility caused by weak blood. By building up the blood, making it pure and healthy, and giving it direct at the source, Dr. Williams' Pink Pills in five-and-thirty years have gained a world-wide reputation as the greatest blood tonic known.

Everybody needs a blood and nerve tonic on occasions. If you do not Dr. Williams' Pink Pills are obtainable from chemists everywhere, also direct at \$1.00 per bottle, 24 bottles for \$24.00, from the Dr. Williams' Medicine Co., 60, Kingston Road, Shanghai. But remember, nothing else is "just as good" as Dr. Williams' Pink Pills.

OUR BANK.

Important as it is from the financial standpoint, the annual meeting of the Hongkong and Shanghai Banking Corporation is equally important from the political standpoint. Indeed for those who are not fortunate enough to be shareholders of this great institution, the political interest predominates. Everybody in the Far East knows just how parlous are conditions in China, and the newspapers are full of the woes of the country. But although China's desperate plight is well known to everybody in the Far East it is not at all well-known to people in Britain and the United States. This fact may not seem very serious at first sight, but a little thought will soon convince the reader that it has the gravest consequences. So long as misapprehension regarding the real state of affairs in China exists in Britain and the United States, especially in the higher quarters, so long will international influence be misdirected, not merely to the length of prolonging the present

chaos, but actually to the point of making it worse. Therefore it is of vital importance that the positions in China should be thoroughly understood in Britain and the United States. Unfortunately the voice of the average citizen cannot make itself heard in the highest councils, nor can the newspapers assert their views beyond a certain point. But fortunately there is the Hongkong and Shanghai Banking Corporation to speak the truth for the whole world to hear. This great financial institution enjoys the highest prestige in all the capitals of the globe, and its views on China are accepted with the greatest respect. Each year now it has pronounced its verdict upon the preceding twelve months and expressed its opinion upon the prospects for the future. This year it has been true again to precedent, and the Chairman's speech, which we published on Saturday, was as able as any that has been delivered in the past, and looking to its clear, candid and convincing terms, we are confident it will have its due influence upon the shaping of the future.

Caillaux Back.
The triumphant return of M. Caillaux to public life is the most remarkable recent political event in France, considering that the defeated ex-Premier, who was recently granted an amnesty, had been the best-hated man in France. Caillaux was condemned in 1920 to banishment from the principal town in France and to 10 years' loss of civil rights for having communicated with enemy subjects during the war. This meant that he could not sit as a Deputy Senator or take part in public life in any manner. It meant that he could not go to Paris. The whole Senate after a long hearing, passed upon him a sentence of imprisonment which corresponded to the period which he spent in confinement, awaiting trial and deprivation of citizenship. It judged him guilty of serious conduct, although acquitting him on the gravest charges brought against him. The

circumstances of his relations with a number of unpleasant people, spies, traitors and emissaries of Germany produced a strong impression on the Senators. Friends of M. Caillaux freely stated that he would not accept an amnesty, but would demand a revision of the proceedings in the High Court. It was realised that his would not be a triumphant re-entry into Parliament as a pardoned man. He desired rather to return, vindicated by the highest Court. Unfortunately for him there is no higher Court than the Senate, and no possibility of reviewing the process. Apparently M. Caillaux considered that some law might be passed by which a retrial could be ordered. But now, rather than wait probably for years for revision, he has accepted an amnesty, and returned to Parliamentary life with a blare of trumpets scarcely imaginable a very short time ago.

A New Industry.

A new Company—the Territories Building and Agricultural Development Co., Limited—has been formed, its aim being to provide the Colony with a new industry and thereby not only create employment but also cultivate land which is at present undeveloped and, above all, make the Colony less dependent upon imported market produce and provisions. When it is considered that the Colony obtains the great bulk of its vegetables and fruits from China, where the methods employed are insanitary, antiquated, and obsolete, it will readily be seen that there is a great opportunity in this. Colony for a Company which will undertake farming and market gardening according to modern methods and which will sell its produce at a reasonable price to local consumers. The Colony of Hongkong has developed enormously during the last few years. Building is proceeding apace and the population is rapidly increasing. Yet, hitherto, there has been no attempt to meet what is a real need. In fact, a considerable amount of land formerly cultivated by Chinese farmers is now built upon. One of the commonest complaints in the Colony is the high price of everyday necessities of life, and the new Company states that it will endeavour to make a real effort to meet that complaint. The land in the New Territories is said to be entirely suitable for the development of agriculture and husbandry, and it is hoped that many new varieties of plants, vegetables, and fruits can be advantageously cultivated there. The Company, which will also endeavour to cope with the problem of house shortage, and will build both houses and sell sites for building, has issued a prospectus with the object of raising further capital for the development of its property.

LAWYER'S THREAT.

INCIDENT IN GAMBLING CHARGE.

Before Mr. J. R. Wood, at the Central Magistracy this morning, eleven men and a woman were charged with gambling on the third floor of No. 528, Queen's Road West. The woman, who is the licensee of the premises, was further charged along with another with keeping a common gaming house.

Mr. M. K. Lo appeared for the defence. A Chinese detective giving evidence stated that he raided the premises on a warrant and arrested ten persons, the eleventh and twelfth managing to get away. They were also arrested later when they came to claim their coats at the Police Station. In answer to a question put to witness at Mr. Lo's request, he claimed to have seen the two men along with the others.

In regard to the latter two persons, Mr. Lo asked for their discharge as he claimed that they had no part in the alleged gambling. They were on another floor of the premises at the time, and when they found that their coats had been removed by the police along with the arrested persons, they went to the station to recover their property. They were then arrested. Mr. Lo submitted that if, after taking evidence, it was found that they did not take part in the gambling he would take action against the Police on certain lines, and he had already informed the Sergeant in charge of the case to that effect. The case was adjourned until next Thursday, bail being fixed at \$500 for the licensee, and \$20 each for the rest.

For returning from banishment a Chinese was sentenced to twelve months' hard labour at the Kowloon Magistracy this morning.

ALLEGED EMBEZZLEMENT.

MAGISTRATE REFUSES LEAVE TO WITHDRAW.

CASE FURTHER ADJOURNED.

A Chinese named Jung Tan, Lloyd, managing director of J. T. Lloyd & Company, of No. 23, Wyndham Street, again appeared on remand before Mr. J. R. Wood at the Central Magistracy this morning on a charge of embezzling \$22,900 belonging to the Company.

At the previous hearing last Monday, Mr. E. S. C. Brooks, for the prosecution, asked leave to withdraw the charge as the missing funds had been replaced, but the Magistrate directed that the Crown Solicitor be consulted in regard to the application.

Mr. Brooks no longer appearing in the case, the complainant, who is treasurer of the Company, stated that the accused had compensated him, and he wished to withdraw the charge. The complainant added that it was necessary that the accused be released as he was the only person who knew the business of the firm and his assistance was required in going through the books.

The Magistrate said that he could not agree to the charge being withdrawn, and adjourned the case for a week.

Mr. T. H. King, Deputy Superintendent of Police, who is now prosecuting in the case, added a further charge of embezzlement against the accused.

MISHAP TO FOOKING.

WAITING FOR NEXT HIGH TIDE.

SOME CARGO JETTISONED.

Yesterday, Messrs. Jardine, Matheson and Co., Ltd. (general managers for the Indo-China S. N. Co., Ltd.) received a message to the effect that an unsuccessful attempt had been made to tow off the s.s. "Fooking" (Captain J. McAlister), which went ashore on the Lamcocks on Friday, after leaving Hongkong and Swatow for Shanghai.

Provided the weather remained favourable, another effort to get the steamer off would be made at high water. Sent in response to the call for assistance, the Whampoa Dock Company's tug, "Henry Keswick," is standing by.

As far as is known there were no Europeans travelling by the vessel. All the Chinese passengers and mails were transhipped into junks (towed out from Swatow by the China Navigation steamer "Szechuan") and brought into Swatow.

Friday's message (published in Saturday's "China Mail") hinted that ten feet of water had got into No. 1 hold. In reply to a query this morning as to whether any of the cargo had been shifted, it was stated that some of the merchandise in the two forward holds had been jettisoned.

ALMOST A GALE.

STEAMERS REPORT BAD TIME.

While it has been blowing almost a gale at the Peak and residents on the lower levels are complaining of the prolonged cold, steamers coming up from the South are having a bad time against a strong head wind. Ships are being delayed and taking a longer time than usual to do their journeys. Captain Jenkins of the China Navigation steamer "Changchow," has come in from Saigon. On the way up his ship was buffeted by wind and wave, and some cargo, including a quantity of charcoal, was lost overboard. In his report, the master says: "N.E. gale, heavy sea."

Some of the small native craft in the harbour have not ventured out from shelter.

FALL FROM A HOUSE.

CHINESE EAGER TO ESCAPE FROM POLICE.

In his anxiety to escape from the police who were after him, a Chinese fell from the first floor of a house at the rear of Mongkok Station. The man was injured in the fall, and was taken to hospital. It is reported that the chase took place after the man had broken into a dwelling house.

POPULAR FOR SUICIDES!

The sea front near the Star Ferry Wharf is gaining popularity as a favourite venue for would-be suicides. It was only last Monday that an Indian constable rescued a woman who jumped into the harbour. A Chinese made an attempt during the week-end, but he was fished out and sent to hospital.

JUNK RUN DOWN.

ALLEGATIONS AGAINST A LAUNCH.

FOUR SHOTS FIRED.

Insult has been added to injury as a junk master has been fired at through trying to make out the number of a craft which ran down his boat and threw him into the cold sea.

In the small hours of Saturday morning, the junk was at anchor at a place known as Tai Nua Chung, which is between Kapul-mun and Castle Peak Bay. Although, as the master maintains, his regulation navigation lights were burning, he was suddenly jerked into the water through a collision.

A launch towing two cargo junks, he alleges, ran him down. In doing so, a part of the junk in which he was asleep was severed. With the assistance of a folk he was soon out of danger. His junk had lowered a small sampan to take the name of the launch and the names of the other junks. He alleges that the launch did not stop, and even tried to make off. Ultimately four shots were fired to deter his sampan from getting up. Nevertheless, they saw one of the junk numbers, and he has made a report to the Harbour Office.

Damage was done to the extent of \$800 and property valued at \$150 was lost in the water.

MOTOR DRIVER CHARGED.

ALLEGED RECKLESS DRIVING IN KOWLOON.

TWO COOLIES INJURED.

Before Mr. E. W. Hamilton, at the Kowloon Magistracy this morning, a motor driver of the Sanitary Department was charged with reckless driving.

According to the evidence for the prosecution, the accused was driving a lorry in Kowloon City Road last Saturday. After overtaking three motor buses, he is alleged to have lost control of his machine, and crashed into a verandah post. In the crash two coolies were injured, one of them riding in the vehicle at the time. One of the injured men had to be taken to hospital.

The case was adjourned until Thursday.

BOULDER'S CRASH.

CONDUIT BURSTS ON THE HILLSIDE.

SHORT-LIVED SCARE.

Residents who look to the Colony's "rider" but nevertheless prosaic mains for water had a scare on Saturday evening, when the supply was cut off without warning. Quite a number thought that the amount of water in the reservoirs had been depleted by that now famous "hole in the bottom," hence the sudden restrictions.

However, such was not the case. A boulder, weighing fifty tons or so, had crashed down the hillside on to Bowen Road and burst the conduit. This mass of stone is alleged to have come from a building site a little higher up, and to have been dislodged by the contractor's blasting operations.

Long queues of Chinese hastened to the street fountains with earthenware jars and old kerosene tins to lay in supplies. With commendable promptitude, officers of the Public Works Department spent a part of the week-end attending to the damage. By midnight on Saturday the conduit had been repaired and the "constant" supply again turned on at six o'clock on Sunday morning.

SILK SHIPMENT.

The silk which left here by the P. & O. s.s. Kalyan on January 24 was delivered in Marseilles on February 21, a transit of 28 days.

One case of diphtheria (Chinese) was reported to the health authorities yesterday.

Mr. L. Forster, B.A., Hongkong University, will lecture on "The Human Factor in Industry" in St. John's Cathedral Hall to-morrow at 6 p.m.

Dr. C. W. McKenny, superintendent of the Government Civil Hospital, is due to go on leave by the s.s. "Kamo Maru," sailing this week.

A constable on duty at Hollywood Road last night met a man whose appearance seemed to call for enquiry. On a search being carried out, a revolver and some ammunition were found on him. The man was taken into custody, as also another who was accompanying him at the time.

KING'S TRYING ORDEAL. SLOW PROGRESS CONTINUES. LATEST OFFICIAL BULLETIN.

Doctors Recommend Yachting Cruise.

Although there seems to be no actual danger, His Majesty the King, who is ill at Buckingham Palace, is undergoing a very trying ordeal.

"SOMEWHAT SEVERE."

(Reuter's Service.)

London, February 22. His Majesty's three medical attendants after a lengthy visit to the Palace this evening issued a bulletin at eight o'clock as follows:—
"The King passed a fair day. There was still a rise of temperature in the evening, but his slow progress continues."

"The onset of the influenza is somewhat severe, the bronchitis extending to the bases of the lungs—a form of the malady which is apt to be tedious and resistant."

"In order to secure the complete restoration of his health and fitness we advise that when

JAPAN'S SUFFRAGE.

TEN MILLION PEOPLE TO BE ENFRANCHISED.

(Reuter's Service.)

Tokyo, February 22. The Government's long-promised Universal Suffrage Bill was presented to the Diet to-day. It is a lengthy document and provides franchise for all males over twenty-five years, excepting the heads of noble families, military and naval officers on active service, Government officials and others in charge of elections, imbeciles and bankrupts, as well as those who, because of their being unable to support themselves receive public and private philanthropy, and those who have undergone more than a six-year term of imprisonment.

The Bill entitles all males over thirty years to the right of election to the Diet, except the heads of noble families, naval and military officers on active service and Government officials (excluding Ministers of State) and provides for the elections thirty days after dissolution.

The Bill would enfranchise ten million people. Extraordinary precautions are being taken against demonstrations by reactionaries who strongly oppose the extension of the suffrage.

The Suffrage Bill was handed over to the Committee of Investigation. The demonstration in favour of and against the measure passed off with a few minor clashes and a few arrests.

ICHANG INCIDENT.

AMERICAN STEAMER RELEASED.

(Reuter's Service.)

ICHANG, February 22. The "Chichuen" and captain have been released.

[The American steamer "Chichuen," owned by C. R. Cox & Co., (Captain Hawley) was held by the Kwelchowfu militarists. The captain was arrested and the American passengers were detained. The local United States authorities demanded the immediate release of both the steamer and the master.]

CAIRO MURDER.

What the Pyramids Saw.

STARTLING DISCLOSURES.

STUDENT WHO WAS BURIED IN DESERT.

(Reuter's Service.)

CAIRO, February 22. Examination of the arrested students suspected in connection with the murder of the Sirdar has disclosed that the same gang was one time ago practising bombing in the shelter of the Pyramids when one was accidentally killed. He was buried in the desert by his companions. The deceased's mother was heavily bribed to keep silence, but she now corroborates the story, and the police are searching for the body.

The two arrested are Abdel Hamid Anayal, of the Student Teachers' Training College, and a brother of Abdel Fattah Anayal, a student of the Royal School of Law. The latter admitted he participated in the attack on the late Sirdar and gave the names of others connected with the outrage, including his brother. The two were arrested early this month aboard a train bound from Alexandria for Hamman, endeavouring to escape to Tripoli. Both were armed with automatic pistols, and possessed dumdum bullets.

SAFE WITH FRIENDS.

MAJOR OSBORNE WOOD LOCATED.

(Reuter's Service.)

PARIS, February 22. The "Chicago Tribune" learns that Major Osborne Wood is present staying with American friends at Biarritz.

[An earlier cable from Paris stated that Major Osborne Wood, son of the Governor of the Philippines, had been missing since Monday and fears were entertained for his safety.]

DR. SUN YAT-SEN.

According to the "Canton Gazette," a telegram from Peking states that Dr. Sun Yat-sen is taking Chinese medicine but a German doctor also attends him, since his removal from hospital. Dr. Sun Yat-sen is showing signs of improvement. He sleeps better and is able to take food easily.

TRADE UNION FUNDS.

LONDON, February 21. A private members' Bill, which was subjected to a storm of Labour and Liberal denunciation in advance, passed its first reading in the House of Commons. The object is the separating of political and industrial funds of trade unions and legalising political levies without the specific agreement of members. Instead of the present system which merely gives members the right to contract out. The Bill rigidly forbids the application of ordinary funds to political purposes and lays down that political contributions are collectable quarterly, half yearly or annually. The measure is assured of strong Conservative backing, but its fate depends on the Government granting facilities for its passage.—Reuter.

Washington, February 21.—The Senate has ratified the Treaty recognising the British mandate concerning Palestine and also guaranteeing equality of treatment for respective nationals in Palestine.—Reuter's American Service.

Peking, February 21.—The Chinese Government has paid the Senior Minister three hundred thousand dollars in full settlement of lists A and B of the Lin-cheng demands, leaving only supplementary claims, some of which the Chinese think should be reduced.—Reuter.

TERRIBLE TRAM SMASH.

SEVEN PASSENGERS KILLED.

BRAKES GIVE WAY.

Women Nearly Leap Over Precipice.

Manila has been shocked by the news of a terrible tram smash on the adjacent island of Corregidor.

HEROIC CONDUCT.

(From Our Own Correspondent.)

Manila, February 22. Seven people were killed and eleven injured when a tram on a steep incline on Corregidor Island failed to respond to the brakes. Major Hunter, Lieut. Colonel Herring, Warrant Officer Carter and Motorman Fagan were among the killed.

Carter and Hunter acted like heroes and prevented panic-stricken women from jumping off the car on the side where there was a sheer cliff drop.

The injured are expected to recover.

A military investigation is under way. The accident occurred early on Friday morning when the car was taking scores of people to catch the ferry to Manila.

[A "Daily Bulletin" message from Manila states:—As a result

of the overturning of an electric tram in the military reservation on Corregidor Island, it is now reported that the dead include Warrant Officer Carter, Staff Sergeant Davidson, and a Filipino private, and that Lieut. Hayden, several American enlisted men, Mrs. Herring, Mrs. Carter and Mrs. Ellis were injured. It is believed that some children and several of the injured may die.]

KNOCKED OVERBOARD.

NAVAL MAN'S SERIOUS ACCIDENT.

(From Our Own Correspondent.)

Manila, February 22. Commander Lapham, of the United States Navy was hit by a heavy sack of coal while his ship was coaling.

He was hurled overboard, striking a gun and barge. He broke several ribs and fractured his skull. His condition is serious.

DEATH AT DANCE.

SEATTLE TRADE MISSION'S LOSS.

(From Our Own Correspondent.)

Manila, February 22. Captain Gibson, head of the Seattle Trade Mission, dropped dead following a dance at the Army and Navy Club last night. Heart failure was the cause of his death.

[Captain J. S. Gibson, Chairman of the Seattle Commercial Commission, was in Hongkong last week, and created a good impression at the various functions arranged in honour of the delegates.]

THE SOVIET WAY.

BORROWING TO PAY BACK.

KRASSIN OFF TO PARIS.

(Reuter's Service.)

Moscow, February 22. Interviewed by the Rosta Agency at Leningrad, M. Krassin stated that probably next week Soviet experts headed by M. Preobrazhensky will accompany him to Paris to begin a preliminary examination of French claims with regard to debts and inform the French experts of the Soviet counter claims arising out of losses owing to foreign intervention in Russia.

The negotiations will be long and difficult. The Soviet, although it has definitely refused to admit the legality of debts contracted under the Czarist regime, has not refused to come to an arrangement with the bond holders, provided the total of Russia's debt is reduced.

Even partial compensation to the bond holders depends on the granting of big long-term loans to Russia.

The Soviet will be prepared to come to a definite agreement with regard to debts under certain conditions if the financial assistance received from France is sufficiently generous to enable it to spend the surplus on compensation to the bond holders.

WORLD PEACE.

AMERICA'S SUPPOSED INCONSISTENCY.

(Reuter's American Service.)

BALTIMORE, February 22. Mr. Owen Young, of Dawes plan fame, receiving an honorary degree at the Johns Hopkins University, recalled the thrill felt by the world when the United States first suggested the destruction of some of the implements of warfare as a step to peace.

He declared the next thing that happened was the passage by the American Congress without careful study, without many facts, without restraint either in word or act, of the immigration bill offensive to the pride and dignity of a great nation in the Pacific, which America had every reason to live in peace.

Mr. Young added that the occurrence of the great disaster in Japan served to show unmistakably America's true sentiments towards Japan.

A GLANCE.

Division I.

China "B" v. 2 R.A. 1-0

Division II.

Recreio "A" v. 1 Kowloon 0-0

R.A. v. China "B."

This First Division game was
played at Sookumpoo, the teams
lining up as follows:—
R.A.—Clayton, Doody, Hardy;
Rachall, Reide, Vickers; Pullford,
Sargent, Harris, Hemsworth and
Sowler.China "B"—Chan Fook-choi;
Lo Wat-man, Kwok Po-kan; Fung
Man-ki, Pang Wah-hing, Li Kam-
hi; Ng Kam-chuen, Chiu Kwong-
yung, Leung Wing-tak, Tsoi
Ping-an and Wong Mee-shun.

Referee—Mr. F. Smith.

From the start the Chinese
attacked and Wong Mee-shun
sent out play from a free-move-
ment that should have resulted in
a goal. But this did not deter the
Chinese for within five minutes of
the start they were one up. Tsoi
Ping-fan, receiving went in and
tested Clayton, who cleared. The
ball being returned smartly by
Li Kam-hi, Leung Wing-tak netted
with a crowd round the goalkeeper,
that no doubt left him un-
sighted. Within two minutes
the Chinese were two up, the
same scorer nettingfrom a nice centre from Ng Kam-
chuen. From now on to half-time
the game was all in favour of the
Chinese. Tsoi Ping-fan grazed the
bar; and later the outside left,
with only the goalie to beat, from
about ten yards, skied the ball over
the bar. The R.A. paid one flying
visit to the Chinese goal and then
missed an open chance, for Harris
sent Vickers in and from almost
the goal line and with only the
goalkeeper in front he tipped the
ball mildly into the keeper's hands.

Half-time: China "B" 2, R.A. 0.

In the second half the Gunners
had a little more of the play, but
they certainly had no idea of what
to do with the ball when they got
within shooting distance, they
either played about passing to one
another or sent wide out. How-
ever they did manage to get a goal
although the point seemed doubt-
ful from the stand for the original
marksman Pullford was well off-
side. The goalie managed to save
his shot but failed to clear properly
and in a scrimmage in front of
goal Sergeant netted. From now
on to the finish both teams tried
hard to score but on the one hand
the shooting was erratic and on the
other the Chinese were all for
keeping the Gunners from again
scoring and failed to take advan-
tage of some good opportunities.

Result—China "B" 2, R.A. 0.

Comment

The Chinese "B"s have at last
managed to win a game, and on
the run of the play they fully de-
served their victory. They
played better than they have
ever done before this season,
and two goals scored by Leung
Wing-tak were nice, clean, hard
drives. The Gunners have never
played worse and if they cannot
show better form in the Shield
semi-final against the Police than
they did on Saturday, their
chances of appearing in the final
are not very rosy.

2ND DIVISION.

Recreio "A" v. Kowloon.

Recreio "A" had their work cut
out when they met Kowloon after-
noon, Saturday but after a hard
fought game they managed to
come out victorious by the only
goal of the match. Recreio "A"
missed Rochi in the forward line,
which spoilt their left wing com-
bination, although they have
obtained a very fine asset in
Silva from Shanghai as inside
right, Fustes going over to the
left inside in Rochi's place. Kow-
loon put up a very good fight and
it was unfortunate that Slipper
was injured and had to retire from
goal towards the end of the game,
although this accident certainly
seemed to put new life into the
Kowloon players. Caville, as
usual, was Kowloon's mainstay
throughout, while Austen in the
forward line kept the Recreio
backs continually guessing.The game started with the
Recreio eleven going off with their
usual dash, but Slipper was very
safe and though pressed gave a
corner. Brown then went down
the left and had a lovely chance to
score; he put in a nice shot but
Slipper cleared. Bishop sent in a
nice high shot which Silva man-
aged to get away over the crossbar,
for a corner. Bishop put in a nice
centre from the corner but Recreio
cleared, and got away. Fustes
getting past both backs, looked
dangerous, but Slipper ran out and
stopped what looked a certain
goal. Kowloon pressed hard but
Fitz-Gerald spoilt the movement
by sending the ball behind.
Recreio pressed hard and Silva
tried Slipper with a nice shot but
Slipper saved. Gosano let drive
a beautiful shot but Slipper saved.

the ball going to Fustes, who

shot. Slipper saved again but fell
and Fustes running up forced
the ball through with a drive
before Slipper had time to re-
cover, giving him no chance
to save. Recreio took advantage
of their lead and forced the pace.
Brown going down put across a
lovely centre to Gosano who shot
wide, Slipper clearing. The whistle
blowing for half time at this
junction saved Kowloon.

Half-time:

Recreio 1, Kowloon 0

The second half was very evenly
contested with both sides trying
hard to score, though neither suc-
ceeded in breaking through, both
defences playing well.Kowloon started the pace and
had Recreio guessing for the first
five minutes, but the eleven soon
settled down. Brown going down
put across a centre to Silva who,
however, missed. Recreio went
down and looked like scoring, but
Slipper ran out taking a sporting
chance to save; he stopped the
rush but was unfortunately hurt.
The forwards continued to attack
with Kowloon short of a goal-
keeper. Lath, however, managed
to clear, Fitz-Gerald sending the
ball to the touch, so that some
assistance could be rendered the
fallen goalie. After a few minutes'
rest, Slipper was able to continue
but looked shaken. Recreio still
continued pressing and Xavier
looked like scoring. Slipper jump-
ed for the ball and saved, but
unfortunately he again fell and
was unable to get up, having to be
carried off. This left Kowloon
handicapped, owing to the fact
that it was Slipper's fine efforts
that had saved several certain
goals. Brown, however, put him-
self in goal and the rest of the
remaining ten put their backs into
the game and had the better of
the remaining part, Recreio
seeming to tire. Silva got going
and looked dangerous, but Brown
saved, sending Kowloon away.
Austen put in a nice shot that tried
Silva, Bishop spoiling the move-
ment by sending behind. Kow-
loon still continued to press hard,
Recreio then got going once more
but Fustes spoilt the movement
by being offside. Brown put in a
nice shot but A. W. Brown in goal
gave a corner. Fustes took it but
Kowloon cleared. Silva then put
in a nice shot but Brown again
saved. Kowloon then pressed
hard, Caville obtaining an oppor-
tunity put in a nice low shot at
goal, but Silva saved. Kowloon
continued to press and Xavier
fouled Austen near goal. The
referee seemed doubtful who had
fouled, first giving the decision to
Kowloon, then to Recreio, and
finally to Kowloon, which called
for considerable comment. Caville
took the shot and sent behind.
Shortly after this the whistle blew,
giving Recreio the victory by a
very narrow margin.

CRICKET.

SATURDAY'S GAMES AND
FEATURES.The glorious uncertainties of
cricket were exemplified in the
First Division match between the
Civil Service and Kowloon. With
a quarter of an hour to go, it
appeared as if a draw would be
the result, but then (Civil Ser-
vice) upset all calculations by per-
forming the hat-trick, this giving
the Civil Service a victory by 40
runs. D. D. Evans, also Civil
Service, was top scorer of the
match with 45 not out.The Club were opposed on their
own ground by the University in
Division II, and just won by 16
runs. Watson topped the score
with a creditable 74.In a friendly at Kowloon, the
Navy and Kowloon second eleven
drew, with the advantage in
favour of the sailors, O.B. Raven,
however, was the best batsman
during the match, carrying out his
bat for 55, secured by forceful
cricket at a critical time for his
side.In a scratch game between Mr.
Holland's team and one captained
by Mr. Ng Sze-kwong. More,
playing for the latter, scored 92
not out—the highest score of the
afternoon's cricket.

LEAGUE MATCHES.

Division I.

C.S.C.C. v. K.C.C.

The Civil Service C.C. main-
tained their unbeaten record in the
First Division League when they
had as visitors the Kowloon C.C.
This made the fourth victory out
of five matches played, one being
drawn.The home side batted first, send-
ing as their first representatives
Sayer and Holdman. The latter
was bowled with the total at 8.
Evans filled the breach, and played
a cautious game right to the end,
being unbeaten with 49 to his
credit. Although his scoring
was by no means fast, he
was instrumental in firing
the bowlers, and later, when
Wallington joined him, some
bright flashes were seen, the part-
nership yielding 54 runs. Evans's
score of 40 included half a dozen
singles and Wallington's 30 a similar
number; the latter scored fast.
Sayer had contributed 25, includ-
ing a quartette of fours. The
innings realised 141 runs.The visitors made a good start,
the first wicket falling for 37 runs.
The attack was in the hands of
Hamilton and Ling, who were
later relieved by Evans and
Baker. Exactly at six o'clock
the score stood at 101 for
seven wickets, the century just
having been signalled. They
were thus left with fifteen minutes
on hand to make 44 runs for a win,
or to play out time. That the
match would end in a
draw seemed a certainty. A
change in the bowling was then
effected. The two early bowlers
again took the attack, and Ling
put a different complexion on
the game, dismissing all the remain-
ing three men and doing the hat
trick. Ling had given 11 runs in
the earlier part. The first ball of
his over after the change produced
nothing. With the next he bowled
Overy. With the third Brown was
dismissed with a catch at mid-
wicket. With the fourth Fletcher
was dismissed, being clean bowled.
While congratulating Ling on his
feat, mention must also be made of
Baker and Evans, who kept a good
length and bowled very well for
their side. The double figure
scorers on the Kowloon side were
Lyal (16), Jex (23), and Wittell
and Raven (13 each).

LOCAL AND GENERAL.

The Colony had a clear bill of health on Friday.

The paying-off pennant was broken on board H.M.S. "Petersfield" at 8 a.m. yesterday.

A pronounced epidemic of measles has broken out in Hongkong and Saawui, according to our Peking correspondent.

Tenders are being invited for the construction of a service path from Magazine Gap Road to serve the new sites south of Thorpe Manor.

The transport "Derbyshire" arrived yesterday with naval ratings and reliefs for the China Squadron, and also military replacements.

General Leung Hung-kai, commanding the pro-Sun Cantonese army in the Sze Yip districts, has started an officers' college at Kungmoon, says our correspondent at that port.

The Girl Guides and Brownies of Hongkong and Kowloon are getting an entertainment and display of Guide and Brownie work in the Helena May Institute, on Saturday, March 7.

A large congregation witnessed the annual Confirmation service held in St. Andrew's Church, Kowloon, yesterday evening, when 31 persons, including five adults, were presented to the Bishop of Victoria (the Rev. C. R. Denny).

Although some lucky person should have become aware of the good fortune on Wednesday afternoon, nobody had called for the first prize of \$14,000 in the Jockey Club Championships cash sweep by the time the last race was run on Saturday. It is supposed that the winning ticket was purchased by a Chinese who is in too much of a hurry to draw his money. Can it be that the ticket has been lost, as was the case some years ago?

Three of the officers of the P. and O. s.s. "Kashgar," which brought the mails on Saturday, sustained losses of valuables or money whilst the ship was in port. Reports have been made to the police that the first and fourth officers had gold watches valued at \$40 each, stolen from their cabins, whilst the electrician discovered that \$5 in English money had disappeared.

The German standard of living index figure shows increase of one point one per cent. during January against the month of December 1924.

Chao Goh, 4th night of the after-noon, was celebrated by the Chinese in Peking in the usual way, but there was a special feature, Chinese houses and firms were brightly lighted up with electric lights, and other lights, and there was a long and continuous procession of cars and other vehicles until after midnight.

The Shaanxi Anti-Narcotic Society at Tientsin has petitioned the Chief Executive to the effect that, in view of their serious crimes against the welfare of the people of Shaanxi, the opium smugglers, and Chinese manufacturers, must not be pardoned as they are considered to be more dangerous than murderers and bandits.

Lin Wan-chun, a capitalist at Shanghai, is to erect a new cotton mill at Shanghai with \$2,000,000 capital. Raw cotton is obtained from Tsingho, near Peking, and the neighbouring Government cotton experimental station. Machinery and equipment are being ordered through a British firm in Tientsin.

According to a contemporary, the Chinese Government, as created the Associated Powers in the Great War, is contributing 50,000 francs towards the erection of a permanent monument at Brussels to commemorate the sympathy shown by other nations in Belgium's cause. It would be well, perhaps, if China kept the money for effecting some of the necessary reforms in her own country.

The Thaipusam festival was celebrated in Peking on February 6, on a grander scale than usual, giving evidence of the prosperity of the past business year. For two days there was an influx of Indians from the mainland flooded with their year's savings and clad in their best clothes. The scenes at the temples in Waterfall Road were most picturesque, the gaudy costumes worn enhancing the colour scheme. Many of those proceeding to the temple carried kavadys and were mortifying the flesh in various fashions, some being pierced with hundreds of silver needles, others walking on spiked clogs.

The new Protestant Church at Bandoeng, Java, will be formally opened from March 1.

The public examination began in Singapore recently of Dr. Jean Conrad, who stated that his liabilities amounted to \$18,000, and that his failure was due to his inability to establish a practice, because he could not obtain a clinic, and also to the severe competition in Singapore, where, he said, only one good surgeon was needed. He could not make an offer to his creditors. He intended to return to Belgium to practise.

A local Committee, headed by Dr. David Z. T. Yui, general secretary of the Y.M.C.A., has been formed in Shanghai to formulate plans for the sending of a Chinese delegation to the Pacific Conference, to be held at Honolulu in July 1 to 15. This conference which is to be attended by representatives of nations around the Pacific Ocean, will discuss international and inter-racial problems from the standpoint of the various peoples.

Over thirty Japanese who were passengers on the steamer "Yinyu Maru," when she took fire off the Mexican coast, returned home on February 1, by an American steamer. Their compatriots in San Francisco had raised \$450 for their benefit, but this will not go far, and the people, some of whom lost all their belongings, are now stranded at Yokohama. Two representatives of the group have appealed to Mr. Asano, president of the Tokyo Kisen Kaisha (owners of the "Yinyu Maru"), asking that the Company should recompense them for their losses.

Last summer Japan had a sleeping sickness scare. There were a number of victims in central and western Japan, but the disease was stamped out in time. Today, the hospital attached to the Okayama Medical College has one boy of eleven and two middle aged women suffering from the laughing malady. They laugh all the time; it is impossible to stop them; and finally they go into violent extremes waving their arms and dancing themselves into exhaustion, all the while emitting wild peals of laughter. Dr. Okuma of the hospital is of the opinion that it is due to some injury to the outer margin of the nerve system, but he cannot state whether or not the malady is contagious, is hereditary, or is fatal.

SOCIAL AND PERSONAL.

Mr. Joseph Nield, formerly Far Eastern correspondent for the "Chicago Daily News," and since succeeded by Mr. J. L. Burt, who was the one fortunate newspaperman who took the trip from the Atlantic to the Pacific on the druggible "Shenandoah," has an article with 12 excellent illustrations in the current issue of the "National Geographic Magazine" on "Seeing America from the Shenandoah." He is now in Chicago doing special features for the "Chicago Daily News."

The Viceroy Yuan Hall of the Anglo-Chinese College, Tientsin, was the scene of a pretty wedding. The principals were Dr. Pow Kan-liang, a son of Mr. Liang Ju-hao, formerly Minister of Foreign Affairs of the Republic, and now President of the International Feminine Relief Society, and Miss Gertrude Huang, whose father is Chinese Minister to Vienna, and who previous to taking that appointment was Commissioner for Foreign Affairs in Chihli. Both bride and bridegroom received a Western education, Dr. Liang being a brilliant surgeon, and Miss Huang a gifted pianist.

Mr. James Edward Doyle, better known as "Dinky," is now engaged in informing the world, including Oakland, California, of the world's news on an Oakland newspaper. Mrs. Doyle enjoys the California climate much better than her native Maine, where it is rather cold at this season of the year particularly, and Oakland is a delightful place for the two young Doyses to grow up. Mr. Edmund McGrath, also well known to that portion of the American community which revolves about the American Club, and also formerly of Hongkong—is also in California, now and frequently joins the Doyses for a chat about Shanghai, says the New York correspondent of the "Daily News."

The China and Far East section of the Manchester Chamber of Commerce has re-elected Mr. J. Rankine Milne as chairman, Mr. W. Maxwell Roddie as vice-chairman, and Mr. R. D. Stewart as hon. secretary.

Gen. Hu Ching-yi, Tapan of Hunan, and Marshal Feng Yu-sheng's right hand man, has telegraphed to Marshal Tuan Chih-jui suggesting that he should release Gen. Chang Ching-yao, former Tachung of Hunan, in accordance with his New Year amnesty mandate. Gen. Hu says that Chang is a political and military offender, "not a traitor or murderer." It will be recalled that the American authorities are interested in Chang's fate in connection with the murder of an American missionary named Reinert in his province some years ago.

Mr. Ma Chao-zur, and "old boy" of the Public School for Chinese, and now an undergraduate of Hongkong University, has been awarded a "Ho Fook and Chan Kai-ling" scholarship on the results of the final examination in part one of the B. He is secretary of the Hongkong University Union and chairman of the recently formed University Law Society.

The Chinese Department of Columbia University has sent out the important announcement that Professor Paul Pelliot, of the College de France, Paris, who is the foremost European sinologist, has accepted the invitation of the department to join its staff for the spring semester, February to June, 1926. Professor Pelliot will conduct classes in certain research subjects for qualified students. Professor Pelliot is not only a mature scholar of Chinese but has also a delightful personality and is a wonderfully stimulating instructor. He speaks English perfectly and will carry on his work at Columbia in that language, so far as Chinese is not used.

Mr. Eiichi Kimura has been appointed the Chief of the Asia Bureau in the Japanese Foreign Office.

Captain F. V. Bennett, R.A., at Singapore, has been granted leave from February 16 to March 7, with permission to proceed to Hongkong.

The Rev. H. Copley Moyle left for Home via America on Saturday. Mr. W. Russell, Government Marine Surveyor, also proceeded on leave.

HOW TO ENTER AND WIN.

Any person who desires may join the campaign by sending in his name to The Campaign Headquarters.

The Campaign will close on April 4th, 1925.

There will be no districts or territories. A member may secure subscriptions anywhere.

Immediately at the close of the Campaign, the votes will be counted and the member having the greatest number of votes will be awarded the first prize. The one having the second greatest number of votes will be given the second prize, and so on down the list until all prizes have been awarded.

Votes are given free and can be obtained by securing fully paid subscriptions to The China Mail or Sunday Herald.

Votes issued to one member cannot be transferred to another member.

No employee of this paper or member of the employees' family may become a member.

The Campaign is open to anyone anywhere. With the first subscription for \$36.00 you secure, you will be given the votes on the "First subscription coupon." You may use only one of these coupons during the entire campaign as no more will be counted for one member.

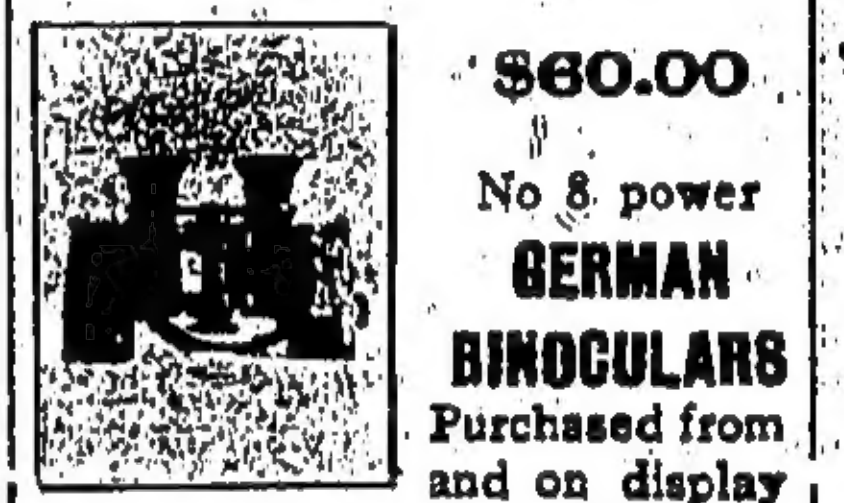

You will get the votes on all subscriptions as stated in the schedule published. This schedule of votes will never be changed. In addition to the regular votes, a special bonus of 400,000 votes will be given on every total of \$100.00 subscription money turned in during the second period ending March 7th, 1925. You will receive just as many extra ballots of 400,000 votes as you turn in totals of \$100.00 between now and March 7th. This is the greatest special credit offer of the Balance of the Campaign and you will never again get as many votes for subscriptions.

The rules are so easy and the plan so simple that anyone who desires may go in and get a big prize. With a little effort in the right direction, you will be surprised how easily the credits count up toward winning the grand prize. ENTER YOUR NAME TO-DAY.

EASY TO GET VOTES.

The Campaign is really just getting started and contestants will find it very easy to get votes. The first thing to do is to come to the Campaign Headquarters immediately and get receipt books and supplies which will be furnished free. Then begin calling on friends and acquaintances and ask for their votes. Still better let them hand the subscription money direct to you. When you turn in the money and subscriptions at the office, the votes will be given to you.

The value of subscription payments is shown on the opposite side of this page. Get the subscriptions in now as they count more now than they ever will again.

HIGH STREET, BELFAST

Above is shown High Street, Belfast, with the reflection of the Albert Memorial in the flooded streets. Great damage has been done and the city is said to be in danger, the flood having been caused by an underground river, which forced its way through the wooden pavements.

PRINCESS SUND

Princess Sund, has been named as co-respondent in the Constantinople divorce action of Princess Chivekhar, of Egypt, against her Turkish husband, Captain Selyem Bey. Princess Chivekhar alleges Princess Sund went yachting alone with Captain Selyem.

LOADING FIVE PLANE

The largest overseas embarkation ever attempted by the Navy took the U. S. Scouting Fleet's Aircraft Squadron from Hampton Roads, Va., on board the U. S. S. Wright and Jason, for Hawaii, where they will participate in the naval "Attack" on the Hawaiian Islands, on April 12. More than 1,000 officers and men, with sixty planes of all types, were in the expedition. Above is shown the engines and portions of one of the twelve "F-11" planes being hoisted above the Jason. These airplanes weigh seven tons, and are equipped with 100 horsepower engines.

DOROTHY, JOSEPH & EARL ELLINGTON

Joseph Ellington, of San Francisco, and his son, Earl, who first declared they would do nothing to save their daughter and sister, Dorothy Ellington, who shot her mother dead when upbraided for her going to so many jazz dances, have changed their minds and have employed counsel for the girl, who is shown in her cell in jail.

MARSHAL FOCH

Marshal Foch, Commander-in-Chief of the Allied Armies in the war, is shown as he left the conference of Allied Ambassadors in Paris, at which it was decided to maintain partial occupation of German territory, in view of the fact that, despite the newly-created debt funding plan, Germany has failed to comply with the terms of the Versailles Treaty.

Mrs. Irene Schoelkopf has received from the police \$45,000 worth of the \$50,000 jewels torn from her neck during a New Year's party. Mrs. W. E. D. Stokes will prosecute charges of conspiracy against her husband, millionaire, who she alleges sought to damage her reputation in his unsuccessful divorce suit. Charles A. Stoneham, owner of the New York Giants, on trial on a charge of using the mails to defraud in stock deals, lost his effort to have the Federal Court set aside a new rule, which permits the Judge, and not the attorneys, to question prospective jurors. Mary Garden, famous opera star, has been suddenly stricken ill and has been compelled to cancel all her engagements.

WORLD OF SPORT.**RACING.****GOOD SPORT AT HURST
PARK.****G. DULLER'S DOUBLE.**At the beginning of the week
ended January 17, there was water
on various parts of the Hurst Park
racecourse to a depth of 3 ft. and
Mr. A. H. Pollard, the secretary,
then thought that racing would be
impossible. But the course was in
exceptionally good condition, con-
sidering the circumstances, when
the two days' meeting opened
on January 14. Nothing more
entertaining to the enthusiastic
supporter of National Hunt sport
could have been desired than the
race for the January Steeplechase.
There were only four competitors
—that was the one disappointing
feature—and with Wee Liddle
coming to grief through being
balked at the first obstacle there
was a most interesting tussle
between Beggar's End, Maxtoi,
and Head Master.Fred Rees, on Maxtoi, was con-
tent to allow his two rivals to set
the pace until approaching the
straight for the final run-in. At
the last fence Lord Queenborough's
Beggar's End held out "every
promise of justifying the con-
fidence shown in him, but a
blunder on landing destroyed his
chance. Head Master got first
run, and the brothers Rees
indulged in a most exciting finish.
It appeared as though "L. B." was
drawing right away on Head
Master, but his brother made ex-
cellent use of Maxtoi's speed on the
flat, and, riding with all the deter-
mination, strength, and skill at his
command, he won by a length.
Maxtoi was the outsider of the
party, but even so his price was
only 100 to 30 against.George Duller had to overcome
a series of difficulties before win-
ning the New Year Hurdle Race
on Captain H. C. Davey's Crook
Hill. Several times he found it
necessary to manoeuvre for a
favourable position, but he secured
a clear run at the right moment.
He did not hesitate to force the pace
when the opportunity occurred,
and it would be difficult to judge
how much the horse had in hand,
so easily was his victory gained.
He should certainly be capable of
another success. Boddam ran ex-
traordinarily well considering that
he was carrying 12.10. Fred Rees
must have suffered great dis-
appointment when he discovered
how ungenerous Sir Henry Bird's
Old Nic really is. The champion
jockey rode the horse with extreme
patience, but when he called for
an extra effort there was no re-
sponse. Major Doyle was to have
ridden King Pippin, but he could
not arrive on the course in time,
owing to an accident to one of his
boys on the training ground.**ARDGOUR WINS AGAIN.**Mr. Bisgood displayed excellent
judgment and horsemanship when
winning the Amateurs' Steeple-
chase of three miles on Ardgour.
This horse has made remarkable
progress since passing into G.
Bennett's stable at Epsom. He
has won his last five races up to
January 15, and there was distinct
merit in his latest achievement.
Cast Box and Lee Bridge set quite
a useful pace for a three miles
affair, but Mr. Bisgood never per-
mitted either of them to reach too
long a lead. It was not, however,
until the last fence was reached
that he could be regarded as a
serious rival to Cash Box, who was
most capably ridden by Mr. Read.
Superior speed on the flat
determined the issue in favour of
Ardgour. It was discovered after-
wards that the winner had knocked
his off hind leg during the race, the
effects of which may necessitate a
short rest from racing. Mr. R. G.
Shaw, who rode his own horse Lee
Bridge, was unseated at the final
fence, but fortunately he escaped
injury.Those who won money over the
success of Golly Eyes in the
Cardinal's Selling Hurdle would
be the first to admit that they were
indebted to the tactics adopted by
George Duller. After landing for
the run-in Golly Eyes appeared to
be running away with the race,
but with such a resolution did
Scutthover come on the scene that
most people thought he had got his
nose in front at the only place that
matters. The judge, however,
decided that Golly Eyes had won
by a short head. Had Duller not
been content to ride hard with his
hands he would probably have lost
the race, for Golly Eyes might
have resented the application of
the whip. That was the first leg
of his double, and incidentally pro-
vided Frank Hartigan with the first
of his two winners during the after-
noon. Maxtoi, supplying the other.
After his stylish victory at
Newbury there appeared sound
justification for the favouritism of
Tunnhamen in the Mole Four-
Year-Old Hurdle, but though
Duller waited with him for one
final run, imprudence had estab-
lished a lead of which nothing ex-
cept an accident could deprive
him, and he won by three lengths.
E. Ringstead, who rode the winner
for Larkin's stable, is certainly
making good since he migrated
from the North. He was formerly
associated with J. Renwick at
Malton.**TROUBLESOME COUGHS.**A troublesome, sleep disturbing night
cough can be easily and pleasantly
stopped by taking Chamberlain's Cough
Remedy. You will like the soothing,

tickling throat and the promptness with
which the troublesome cough is stopped.
For sale everywhere.**ATHLETICS.****ALBERT HILL TO LIVE IN
AMERICA.**Another ex-running champion
Albert Hill is likely to take up his
residence in the United States.
Followers of athletics will recall
that Hill won the 800 and 1,500
metres races at the Olympic Games
held at Antwerp in 1920. He also
won the four miles championship
of England in 1911, the half and
one mile championships in 1919
and the one mile again in 1921.
It was in the latter race that he
created the British amateur record
of 4 mins 13 4/5 secs, in which he
led all the way, though H.B.
Stallard gave him a great struggle
over the last three hundred yards.
Hill also holds the British
amateur record of 3 mins 5 4/5 secs
for three-quarters of a mile and he
certainly reserves a high place
among the British champions, past
and present.His action represents the highest
perfection as regards correct style
and should he take up professional
coaching, his advice ought to
prove valuable to young American
athletes.The Herne Hill Harriers seven
miles club championship over a
course at Eltham on January 3,
provided the most interesting one.
This owing to the excellent running
of F. W. Turner of the Royal Air
Force, who has rapidly come to the
fore as a cross-country man. He
proved himself a good miler last
summer and his recent efforts over
the country shows that he is likely
to trouble the very first flight in the
coming championships. In the
race under notice, he gained
leading honours in 48 mins 9 secs,
F. T. Mountford being beaten by
38 seconds, whilst H. A. Johnson
was just a minute slower than the
winner.Johnson is very near a 4 min 20
secs miler and a good stayer into
the bargain, which makes the
running of the winner and second
man look good.**BOXING.****OXFORD MEN TO FIGHT
IN AMERICA.**Oxford University's team of ten
pugilists will arrive in the United
States on March 20. They will
meet Yale boxers in a series of
three-round contests.Edward Eagen, an A. E. F. and
former Olympic champion, is
captain of the Oxford team, and
among them are the Marquis of
Clydesdale, Viscount Knobworth
and the Emir of Iraq, the last
named said to be a son of a former
ruler of Arabia.The Marquis is amateur middle-
weight champion of Scotland.**TRY
